§27–307.

The board of viewers shall report to the county commissioners or county council:

- (1) the name of any person employed to conduct the survey required under § 27–302 of this subtitle;
- (2) the number of days the person was employed on the survey;
- (3) a description of the work performed by the person;
- (4) any expenses incurred by the person in traveling to and from the work; and
- (5) the cost of any supplies or material used in conducting the survey.
